

San Diego County SB678 Plan Fact Sheet

San Diego County's SB678 implementation plan can be explained in three areas: (1) The implementation of the Probation Leadership Academy for Adult Field Services Directors and Supervisors (2) Enhancing probationer supervision through a balanced approach model, which involves community safety, officers holding probationers accountable and probationer rehabilitation. This will partly be accomplished through implementation of an Incentives and Sanctions continuum model. (3) Implementation of direct treatment services to increase the availability of services to address the criminogenic needs of probationers. These services will include, substance abuse treatment, cognitive behavioral interventions and vocational training/work readiness. These areas are further explained as follows:

1. San Diego County Probation Leadership Academy

- a. In depth training for Probation Adult Field Services supervisors and directors to enhance leadership skills to integrate Evidence Based Practices into adult probation
